

# 'The Best Rail On The Market'

Worcestershire  
Royal Hospital

Nothing shows Yewdale's diverse product range quite like an installation at a hospital, as we found earlier this month with a recent job from Just Fabrics.

Just Fabrics are specialists in curtains and blinds, mainly working with hospitals, prisons and student accommodation. They've been established for over 30 years and have been using Yewdale systems for five.

'We mainly use YewdaleMovatrack®, YewdaleKestrel® anti-ligature systems, Roe and Dart fabric,' lists Just Fabric's managing director Andrew Yarnold. 'Oh!' he adds, 'and flyscreens, we go nowhere else for flyscreens: good quality and decent price point.'

Just Fabrics fit and maintain the blinds, flyscreens and YewdaleMovatrack® for Worcestershire Royal Hospital, and were tasked with supplying a newly refurbished ward called Aconbury North.

'We supplied a range of shower curtain rails, door privacy curtain rails, vertical blinds with dart fabric and fly screens,' says Andrew. 'We use this as standard around the hospital so we continued it through on this ward.'

Thirty YewdaleMovatrack® rails, 30 YewdaleDefiant® vertical blinds and five YewdaleDefiant® flyscreens were installed with no problems or delays. Yewdale received glowing praise from Andrew on the YewdaleMovatrack® system.

'Movatrack is the best rail on the market, we use it as standard throughout the hospital,' Andrew says. High praise indeed, but what is his thoughts on working with Yewdale?

'We enjoy our working relationship with Yewdale, in particular, Amy and Brian. We know what we're getting and when we're getting it; we haven't had any substandard products.'

**"Movatrack is the best rail on the market, we use it as standard throughout the hospital"**

Don't just take Andrew's word for it, find out how Yewdale's systems can enhance your project – contact us today to discuss how we can help!
