A large grid of graph paper, consisting of 30 columns and 20 rows of small squares, intended for drawing a net of a cuboid.

All sizes must be given in millimetres

**Please note:** The symbols below must be stated where required on the above drawings to ensure the correct goods are produced and delivered. If hanger assemblies are required, these will be supplied at 100mm. Should they be required to be longer, then this must be specified in the notes above.

|      |                       |                                                                                       |
