5200W Curtain Tracks

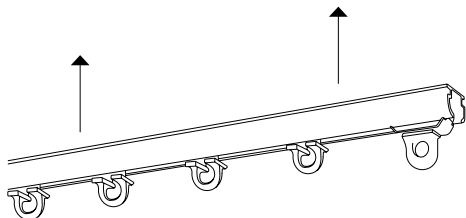

- 01** Unpack the track and brackets.

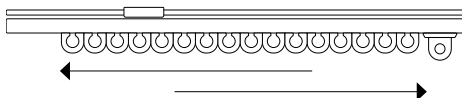

- 02** Insert the brackets onto the track. They should be spaced equally no more than 400mm apart and no further than 100mm in from each end.

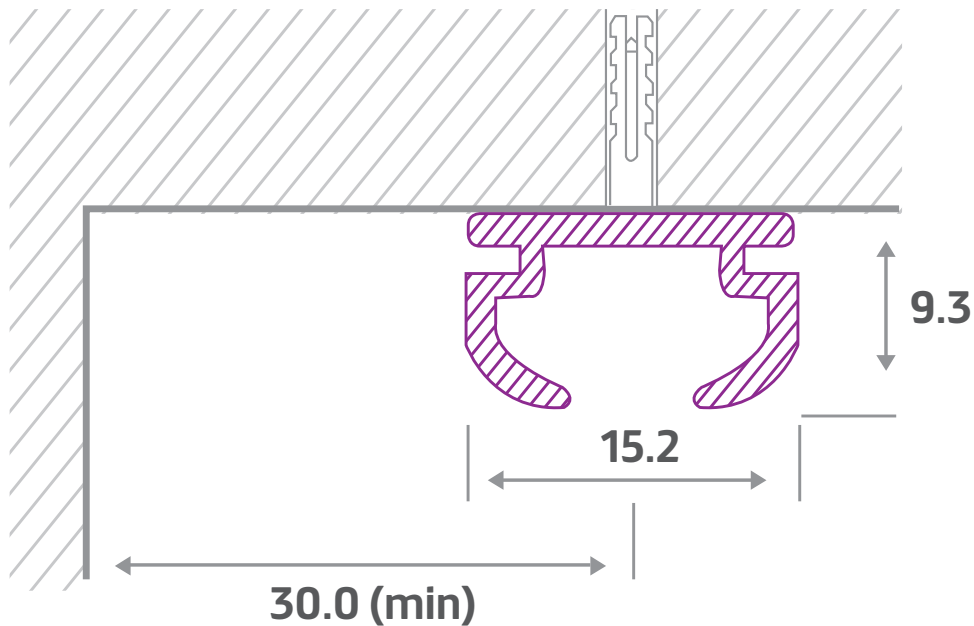

- 03** Lift the track into its desired position and fix it in place using the appropriate screws.

- 04** Check that the gliders move freely within the profile.
