

Fitting Instructions

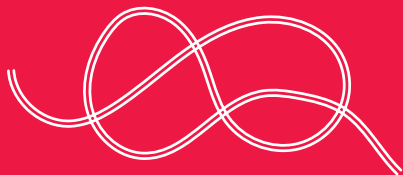

YewdaleDefiant®

Roller blinds

(R20, Fascia, R20C, R20D, R20S, R20W)

Part no: 936

Safety Instructions

Loops in pull cords, chains, tapes and inner cords that operate the product can cause strangulation.

Keep cords out of the reach of young children.

Move beds, cots and furniture away from window covering cords

Do not tie cords together. Make sure cords do not twist and create a loop

Please note

All blinds should be installed by a person competent in DIY.
If in doubt, please consult a professional.

05

R20 Roller Blind with Fascia

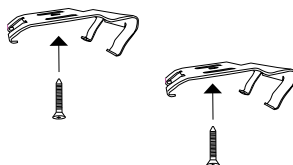

R20

Roller Blind with Fascia 70

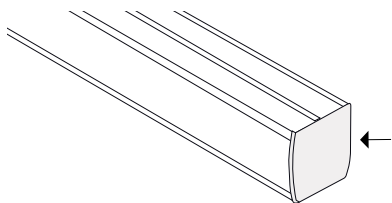

- 01** For face fixed, use the screws supplied to fix the brackets securely to the wall.

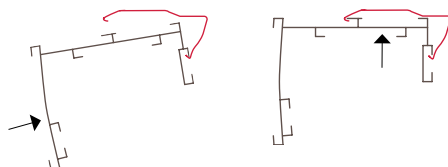

- 02** For top fixed, fix the brackets to the top of the recess using suitable screws.

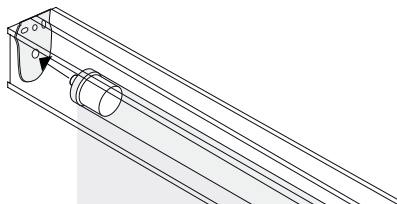

- 03** Attach the end caps to the fascia.

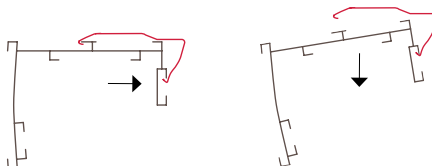

- 04** Hook the back of the fascia onto the bracket and push upwards until you hear a click, confirming it is securely in place.

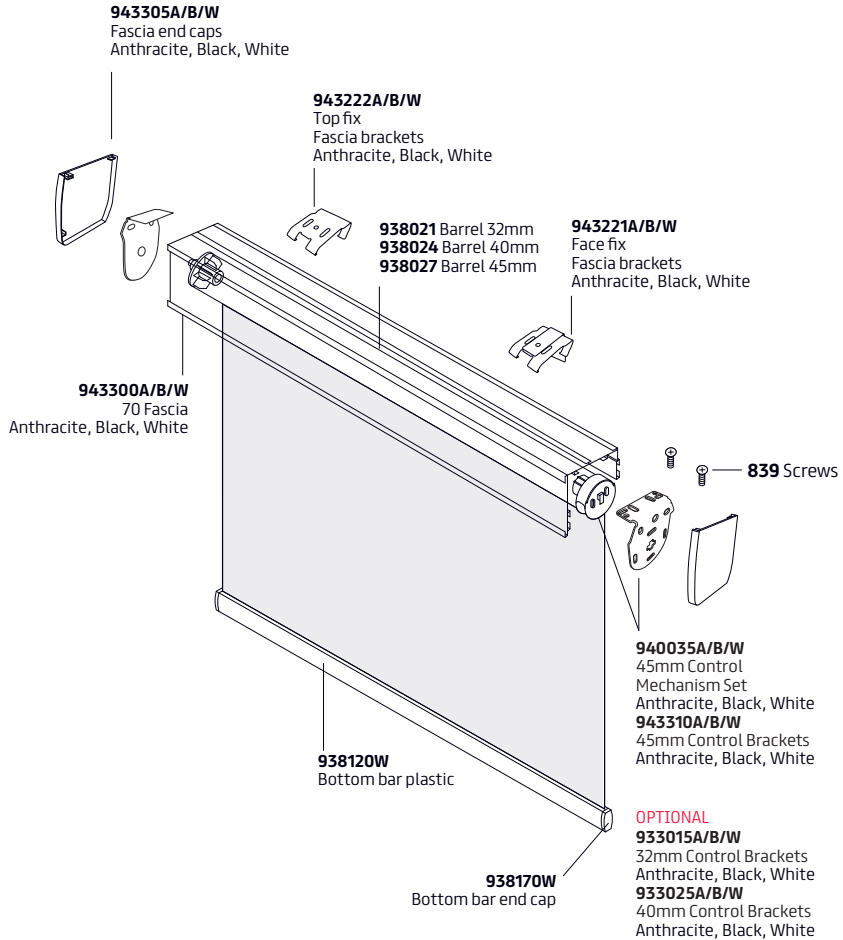

- 05** Lifting the blind into position, slot the barrel into each end of the fascia using the pin end side first.

- 06** To detach the fascia, apply pressure to push it back, then pull down to remove it.
