Part no: 980005

yewdale.co.uk

Programming Instructions

YewdaleDefiant® solar panel (980005)

Compatible with 980004 tubular motor

Installation:

NB. In order to obtain maximum efficiency, install in direct sunlight.

In order to prevent damage from foreign objects, install in a safe and clean location.

Solar panel should be kept at all times away from any environment with a high PH level to avoid corrosion.

1. Adhesive installation (suitable for glass and tile installation):

Take off the protective film on the back of the solar panel.

Ensure surface is clean and dry. Fix directly to glass or tile surface.

2. Bracket installation (suitable for indoor wall installation)

Fix the bracket to either the window or wall keeping a distance of 342mm between the two screws.

Install the solar panel and fix with screws

Connection and application:

Head Office:

Enterprise Way,
Wickford, Essex, SS11 8DH
