

KVL64 Crank Mono

YewdaleKestrel® Vertical Blinds

yewdaleKestrel®
MAGNETIC ANTI-LIGATURE SYSTEM

Vertical Blinds Specification Guide

| Vertical blinds | Min Width* | Max Width | Max Drop | Max M ² |
|-----------------|------------|-----------|----------|--------------------|
| KVL64 / 89mm | 300 | 4000 | 3200 | 10.0 |
| KVL64 / 127mm | 300 | 3400 | 3200 | 10.0 |

Sizes shown in millimetres. Based on fabric weight of 220g/m², e.g. Thames. Use of heavier fabrics may require appropriate reductions. *Where adjacent blinds are fitted with YewdaleKestrel®, there should be no more than 2 brackets within a total distance of 700mm.

KVL64 Crank Mono

Features:

The YewdaleKestrel® KVL64 premium vertical blind with added crank control provides yet another safe solution for a host of anti-ligature shading requirements. Incorporating 45 x 36.5mm premium profiled white aluminium head-rail and wheeled replaceable plastic carrier trucks, and magnetic wall-fix / top-fix brackets. This ensures that, under excess load, the head-rail separates from the brackets leaving no remaining points of ligature - a highly essential safety feature. The constant transport of the louvres is guaranteed by the precision made aluminium spindle shaft. Bead-chain control operation by mono control, with built-in slip clutch for louvre tilt and draw. 127mm, or 89mm louvres available - both with enclosed louvre weights.

Benefits:

Robust with high quality performance, whilst remaining pleasing to the eye, the KVL31 makes an excellent choice for many sectors. The comprehensive truck options satisfy the most demanding of environments whether it be residential or commercial. The utilisation of the built-in crank control provides the ultimate cord/chain-free solution and offers exceptional ease of use. The control mechanism is enclosed within the head-rail and supported on a sturdy, aluminium back bar, secured by magnetic brackets for 100% fail-safe anti-ligature functionality. With enclosed louvre weights as standard throughout to remove any individual loose part issues

Specification:

The magnetic anti-ligature YewdaleKestrel® KVL64 vertical blind with crank operated, mono control as manufactured by Yewdale, +44 (0)1268 570900. 127mm or 89mm louvres in flame retardant fabric from the YewdaleDefiant® range, fixed to replaceable wheeled truck hooks and accommodating enclosed louvre weights throughout. Premium 45 x 36.5mm white powder-coated head-rail with crank operation by mono control, and built-in slip clutch. Secured by magnetic wall-fix / top-fix brackets spaced in accordance with manufacturers recommendations. Fitting to be carried out by trained and accredited personnel.

YewdaleKestrel® KVL64 is the only approved crank mono control vertical blind system to be used with YewdaleKestrel®
