

C49 Electric 7.4v

YewdaleDefiant® Cassetted Blinds

yewdaleDefiant®
FABRIC AND BLIND SYSTEMS

C49 Electric 7.4v

Features:

The YewdaleDefiant® C49 electric cassette blind with side channels features a 7.4v DC battery powered tubular motor. The cassette is designed for top or face fixing which accommodates a 40mm grooved aluminium barrel, housing the motor. The motor makes operation easy thanks to its remote control, with a quiet and soft start/stop motion and electronic stops. The fabric is locked into a groove in the barrel with studs fitted at the edge of the fabric to retain it within the side channels. Aluminium bottom bar. Black or white hardware as standard.

Benefits:

The C49 will keep the fabric looking its best thanks to the protection provided by the square or rounded headbox and tracker side channels ensuring the fabric is taut. The remote control operated motorised elements of this system ensure ease of use and the limit stop functionality provides four intermediate pre-sets the user can set to stop the blind at different levels throughout the day.

The C49 cassette blind is easy to install using our goalpost installation technique. Simply connect the side channels to the headbox and fit the blind via the side channels.

Options:

Square or rounded headbox; Black or white hardware; tracker fabric retaining system; available in any RAL colour.

Specification:

The YewdaleDefiant® C49 electric cassetted blind with side channels as manufactured by Yewdale, +44(0)1268 570900. Flame retardant fabric from the YewdaleDefiant® range, locked into a grooved 40mm aluminium barrel along with an aluminium bottom bar as standard. 7.4v DC motor housed within a black/white aluminium cassette with side channels and bottom bar. Please note: Caution should be used when installing in drafty conditions - blinds should not be left down in the situation of open windows.
