Movagate

Features:

The Movagate is the ultimate solution for suspended curtain track system cubicle tracks where there is a requirement for a hoist. Designed with a robust sprung-loaded hinge and magnetic latch technology, the Movagate allows the hoist to pass swiftly and easily through the track whilst maintaining 100% patient privacy at all times. The Movagate is supported with white suspended V-hangers to ensure a firm and positive installation. White powder-coating incorporating Biosafe antimicrobial treatment.

Benefits:

The Movagate provides the ultimate solution. Due to the rigidity of the YewdaleMovatrack® cubicle track system, this simple but effective solution is designed to be retro-fitted to any existing YewdaleMovatrack® arrangement or installed with a new installation of YewdaleMovatrack® cubicle track. Available worldwide, Movagate has enabled Architects, Trusts and Contractors to approach both patient handling and privacy in a new light and is now revolutionising the design of patient areas.

Specification:

The Movagate as manufactured by Yewdale, +44 (0)1268 570900. Extruded aluminium track with white powder-coated finish incorporating Biosafe antimicrobial treatment. To be suspended with white V-hangers in line with YewdaleMovatrack® cubicle tracking (at 2.1m above floor level or as specified) in accordance with manufacturer's instructions. Layout as shown on accompanying drawings. Fitting to be carried out by trained and accredited personnel.
