

# C42 Braked Spring

YewdaleDefiant® Cassetted Blinds

yewdaleDefiant®  
FABRIC AND BLIND SYSTEMS

## C42 Braked Spring

### Features:

The YewdaleDefiant® C42 cassette braked spring roller blind with aluminium headbox. Direct fix for top and face applications. Fabric is locked into a groove in the 32mm aluminium barrel and features aluminium bottom bar with handle and a plastic cleat to hold the blind closed. Studs fitted at the edge of the fabric to retain it within side channels. Black or white hardware as standard.

### Benefits:

An attractive cassette blind with a choice of square or rounded headbox and the added appeal of slow-rise, braked technology, ensuring smooth and quiet operation. The premium quality braked spring and decelerator mechanism is enclosed within the barrel, ensuring it's protected. The side channels help block out light and prevent the fabric from being affected by the wind. The C42 is generally used to reduce light levels in a room or as an insect screen, as it has no mid-point stopping positions.

The C42 cassette blind can be installed using our goalpost installation method. Revised end plates feature lugs which enable you to screw the side channels into the headbox and install them as a frame, simplifying the installation.

### Options:

Square or rounded headbox; Black or white hardware available in any RAL colour.

### Specification:

YewdaleDefiant® C42-60 braked spring control cassetted blind with side channels as manufactured by Yewdale, +44 (0)1268 570900. Flame retardant fabric from the YewdaleDefiant® range, locked into grooved 32mm aluminium barrel along with aluminium bottom bar as standard and plastic cleat to hold the blind closed. Vandal-resistant braked spring and spring end housed within black/white aluminium cassette with side channels and bottom bar. Please note: caution should be used when installing in drafty conditions - blinds should not be left down in the situation of open windows.

## Cassetted Blind Profile Dimension Guide

Model	Cassette Size (HxD)	Barrel Size Ø	Side Channel Size (WxD)
C42-60	Rounded / Square - 77 x 73mm	32mm	55 x 13mm
